## ABOUT

I am a web developer with over four years of experience in web development, currently working as a frontend developer. While pursuing my bachelor's degree, I have been dedicated to refining my skills and expanding my expertise. I thrive in collaborative environments and am always eager to learn, innovate, and push my boundaries for continuous growth.

## WORK EXPERIENCE

### AYA BANK

API Integration Intern

- Collaborated on performance optimization
- Integrated APIs and managed dynamic content for web applications

### KMD INSTITUTE
